Dragonboat paddling is a sporty adventure

Paddle dragon boat you do because it's fun, exciting and challenging while trying to keep the pace to paddle faster and straighter than the opponents...

... in the 250m.

The dragonboat paddled by 13 or 24 people depending on how large the group is.

One of the team is a drummer who may try to control the pace of the boat, the mate we stand for.

The activity can be summed up to be a healthy dose of
Dragonboat paddling competition, good atmosphere and great team spirit; i.e., perfect conditions for having a lot of fun!
