420 SECONDS

Activity sheet · Playful

420 Seconds is a hilariously fun and popular team competition!

The teams face each other in parallel at six stations and, under time pressure, have to work together to solve the problems they are given. Five exercises are done in a qualifying round, and everything is then settled in a thrilling final.

The participants will draw on their entire supply of humour, intelligence and planning skills and test their limits – more mentally than physically. The activity suits everyone, young and old alike!
