THE APPETISER

Activity sheet · Adventurous

Few activities create such togetherness and good atmosphere as cooking together.

The Appetiser is the activity where you cook a delicious starter together using first-class ingredients and simple equipment. In a relaxed setting, everyone helps prepare a tasty starter with fresh ingredients and plenty of kitchen equipment.

The activity can be done both outdoors and indoors. Outdoors, we cook under the open sky to create a cosy wilderness feeling – but it works just as well indoors. We provide the know-how and the equipment; you provide the teamwork and the cooking. The activity can be held with or without a competitive element!
