BEST IN TEST

Activity sheet · Playful

Best in Test is a fun, creative and unpredictable competition.

We divide you into teams on site, and the test leader explains how the competition works. The teams then take turns choosing a task from the board to solve. An example might be “What does the test leader have in the bag?” or “Find the treasure”.

We promise lots of laughs, puzzles and fun challenges where only your imagination sets the limits. It is impossible to predict the winners, so now it is time to prove it. Which team is best in test? Your time starts now!
