BEACH PARTY

Activity sheet · Playful

Here we have created a pleasant mingling activity with several different activities to choose from.

Our instructor brings 4 kayaks, 2 canoes, 4 SUPs, a beach volleyball net, 4 boules sets and kubb. We also bring a sound system with good music and a number of sun loungers. The idea is that the activity should not be too structured – the participants choose what they want to do.

The Puls guide on site gives instructions on how to paddle and so on, but after that the participants look after themselves. On request you can also add more kayaks, party tents, a bar with bartender and a troubadour.
