CASE BY CASE

Activity sheet · Playful

Case by Case is a fast-paced team game where you take on a number of secret cases, each with its own challenge.

The tasks switch between logic, memory, creativity and practical challenges that call for teamwork and quick thinking. The pace stays high throughout – as soon as one case is cracked, the team moves on to the next.

The activity suits both small and large groups and gets everyone involved. One team takes home the golden trophy, but what lasts is the energy, the laughter and the shared experience.
