CITY CHALLENGE

Activity sheet · Playful

City Challenge is a fun and creative activity set in a city or a larger town.

Lots of clever and fun tasks await, which both strengthen and challenge the team. The participants are divided into teams of about 8 people, and the aim is to complete as many challenges as possible. Time is limited and the tasks are scored according to how difficult they are.

Strategy and tactics are important ingredients – but so are creativity and humour! Tricky photo missions and humorous tasks are mixed with creative questions. The backpack each team receives includes maps, a folder, puzzles and more.

One thing is certain: the team with the most creativity and cooperation has the best chance of winning the trophy!
