DRAGON BOAT RACING

Activity sheet · Sporty

Dragon boat paddling is the ultimate team building activity.

The crew has to keep the rhythm to paddle faster and straighter than the opponents over 250 metres. The dragon boat is paddled by 13 or 24 people depending on the size of the group. One team member is the drummer who helps keep the paddling rhythm in the boat – we provide the helmsman.

We warm up on the beach with dry paddling, where the teams also create their own battle songs. Then the race is on! In short, it is the perfect activity for anyone who wants to get to know each other, compete and have fun!
