DRINKS TASTING

Activity sheet · Other

Perhaps it is time to get to know the difference between all the many kinds of beer out there – and have you really tried them all?

How cold can you actually serve a glass of red wine, what happens to the flavours, and when should white wine be served warmer? Questions we answer in a relaxed, convivial setting. Or why not hold a whisky tasting, with surprises even for seasoned whisky lovers?

You choose the main theme – beer, wine, whisky, rum, calvados or cognac – and we put together your tasting journey.
