EXPEDITION KRUSE

Activity sheet · Playful

Expedition Kruse is a fun and educational outdoor competition where you learn to make fire, purify water, use a compass and more.

These are hands-on problems to be solved with the equipment handed out at the start. The basic kit includes a map, a Mora knife, string, a chamois leather and a plastic bag. The teams are then sent out on this exciting wilderness expedition, where they must plan their own strategy and tactics for solving the challenges in the time available.

This is one of our “wildest” activities, and you should not be afraid of getting a little dirt under your nails and grass stains on your knees :-)

Good to know

Outdoors – dress for the weather.

Location
We come to you – all of Sweden

Duration
2 hours
