THE FILM CUT

Activity sheet · Indoor

The Film Clip is the activity where participants get to bring out all their hidden acting talents.

With simple means, the teams make a commercial about the company – starring themselves. Plenty of ingenuity and creativity are needed to make the perfect commercial. Each team gets an iPad to film with, but part of the challenge is that the film must be shot in a single take.

If anything goes wrong, the whole film has to be shot again. To plan the shoot efficiently, the team has to decide everyone's role: director, script supervisor, producer, assistant, actors and so on. When time is up, the film is saved on a USB stick to be shown later in the evening to the audience's cheers. You vote yourselves on which team wins the coveted award for best commercial!
