MOUNTAIN SNORKELLING

Activity sheet · Mountain activities

Snorkel in the crystal-clear river Ljusnan – visibility is several metres and there is a good chance of seeing both trout and grayling.

We fit wetsuits and equipment at the shop in Bruksvallarna and then travel to the river. The safety briefing is given both in the shop and at the riverbank. The water is about 0.5–1.5 metres deep, so you can stand up at any time.

Good to know

Wetsuit, hood, gloves, neoprene socks, mask and snorkel are included, as is coffee or tea. About 2.5 hours including transport, 2–8 people. Minimum age 16; younger participants with a guardian.
