THE MOUNTAIN TOUR – 2 H

Activity sheet · Mountain activities

A two-hour snowmobile tour through mountain birch forest and across frozen streams up towards a summit – a place you rarely reach by snowmobile.

The tour starts with a safety briefing, an explanation of how the snowmobile works and a practice run. Most of the ride is in sheltered terrain and the route is chosen according to the weather. Ideal if you want a calm tour above the tree line.

Good to know

Meet at the Puls snowmobile centre. A valid driving licence is required. Adults get a warm overall, warm boots and a helmet – bring warm gloves. Children aged 8–12 dress warmly in ski clothes and an alpine helmet.
