FLY FISHING – INTRODUCTION

Activity sheet · Adventurous

An introduction to fly fishing in Funäsfjällen, where fish-rich tarns and rivers have natural stocks of Arctic char, trout and grayling.

A professional fly-fishing guide leads the session. You go through casting technique and fly choice and get tips on where the fish usually are. The focus is on practising fly fishing – if you would rather fish more, a half-day guided trip suits better.

Good to know

Professional guide and full fly-fishing equipment included; fishing licence extra if needed. 2 hours starting at 09:00 or 11:00, 2–6 participants (minimum 2). Puls Adventure Centre, Bruksvallarna.

Location
Bruksvallarna
