FLOAT-TUBE FISHING

Activity sheet · Adventurous

Float-tube fishing is an unusual experience that combines excitement, reflection and exercise. Wearing waders and fins, you make your way to the fishing spot in a float tube, with a fly rod and a selection of flies.

We start by going through the equipment – waders and fins in the right size and float tubes with the right amount of air – and then the fly rod and the different flies.

Good to know

Full fishing equipment included. Bring sturdy clothes for the weather. 1–6 hours, 4–15 people.

Location
We come to you – all of Sweden
