THE QUIZ

Activity sheet · Indoor

Using our own app and iPads, the participants take part in a fun and interactive quiz that can be held almost anywhere.

The venue can be a hotel lobby, a bar, a meeting room – or why not a lawn in the sun with some coffee and cake. Questions keep coming in an endless stream, and you need to stay alert! Every now and then questions pop up that are linked to earlier answers.

Guessing is not a good idea either – a wrong answer locks the screen for 20 seconds before you can carry on playing! The questions are general or related to music, film and sport. When time is up, the activity ends with a trophy for the winning team!
