# CONCIERGE

Activity sheet · Mountain activities

**Our concierge service is for you who book a group or conference trip to the Jämtland and Härjedalen mountains but cannot come along or look after the group on site yourself.**

Puls then becomes the group's host – for a small part, a large part or the whole thing. We can meet the group at the airport, bus or train station, keep track of participants, activities, conference rooms and room allocation, and arrange transport, lunches and dinners on one joint invoice.
