THE SECRET BOX

Activity sheet · Indoor

The Secret Box is a light-hearted and very fun indoor activity.

Among other things, the participants will challenge their senses of taste and smell as well as their intelligence and creativity. Lots of laughter and crazy antics are promised during the time the group has to solve the problems and puzzles in the secret box.

They soon realise that there are many problems, and some are very difficult. How will the group tackle the difficulties that arise? Prioritising, structuring and delegating may be one way – but is there enough time? Cooperation is the solution, but which team is the most efficient?
