KING OF THE HILL

Activity sheet · Indoor

King of the Hill is a nerve-tingling indoor activity where the participants compete in teams.

The challenges consist of smaller tasks where competitors, individually or relay-style, solve tricky problems against the clock – always face to face with their rivals. Dexterity, nerves and balance will all be put to the test. Everything is finally settled in a final between the two best-performing teams. Cheer your team to the top first to bring home the trophy – and become King of the Hill.
