ITEAMRIDDLE

Activity sheet · Playful

iTeamriddle is an activity where participants can expect a fun and fast-paced experience.

Fun exercises, tricky questions, quirky photo missions and construction tasks are to be solved in the best and most efficient way. The equipment includes a backpack, an iPad, a booklet, maps, balloons, string and more. Ingenuity and smartness will be rewarded, and nothing can be taken for granted.

The aim is to solve as many tasks and collect as many points as possible before time runs out. The team with the best cooperation has the best chance of winning the coveted trophy! When time is up we sum up the activity in good spirits and it all ends with a prize ceremony! If the weather is bad, the whole activity can be held indoors!
