SOAPBOX CAR BUILDING

Activity sheet · Playful

Soapbox building is one of our most popular activities!

This is where participants can really let their creativity flow and build team spirit. Building something from your own ideas is a very effective and fun way to get to know each other and bring a group together. Add a competitive element and success is guaranteed.

During the first hour the teams build their soapbox cars, which are then presented at a car show for about 20 minutes – with nothing but superlatives, of course! Then it is time for the thrilling final! Now it is time to prove it – which construction will survive the decisive course? The rules are simple: first across the finish line wins!
