NORDIC TOUR SKATING

Activity sheet · Adventurous

Tour skating is central Sweden’s “national sport”.

Relatively cold winters with little snow create perfect conditions for wonderfully clear ice. Skating at a gentle pace past beautiful scenery has a special charm. The silence, the closeness to nature and the fresh, rosy-cheeked look you get afterwards make this one of our most popular activities.

No experience is required – you learn the technique very quickly, although perfecting it is said to take a lifetime.
