THE INTERPLAY

Activity sheet · Team building

Samspelet (Interplay) is just what it sounds like: a fun and thought-provoking activity focused on the ability to work together.

With equal parts laughter and seriousness, we bring out a positive feeling in the group. Fun and clever exercises are mixed with discussions and feedback. Samspelet begins with a conversation about the values of your company or group, which are then tested in practice. Lots of laughter and insights are promised!
