TEAM SUP CHALLENGE

Activity sheet · Sporty

Do you need to strengthen the team while doing something hilariously fun and different?

Then you have found the right activity! Stand Up Paddleboards, or SUPs, are a new way of getting around on water. Here you do it on giant SUPs that take 8–10 people. Once everyone has been shown how to paddle, we hold a competition in heats where all the teams face each other.

Our experienced instructors quickly teach you the technique. Standing on the inflatable board, the whole group paddles together – and it is really important to be in sync to reach the finish. The activity can also be done as a stand-alone get-to-know-each-other activity for smaller groups (up to 30 people).
