THE BIG PICTURE

Activity sheet · Indoor

The Big Picture is a relaxed and enjoyable team building activity with plenty of creativity!

The participants are divided into groups, and each group receives a linen canvas, an easel with brushes and paints, and protective aprons. A shared theme is then given out, which each group interprets in its own way. Each team's painting will then become part of the big picture once everything is finished – so you also need to cooperate with the other teams!

The painting itself takes about an hour, followed by the vernissage where the groups present their works. We then give a short and fun description of the personalities behind the different colours – what is the red person like, the blue one, and so on! Finally we join all the canvases into one single painting and admire the result!
