CROSS-COUNTRY TOURING

Activity sheet · Adventurous

Classic skiing away from the groomed tracks, with modern gear: wide touring skis with BC bindings and ankle-high boots.

The tour climbs above the tree line, over hills and through valleys to a beautiful viewpoint towards Helags and Skarsfjället. There we break for a packed lunch and hot drinks in a shelter or snow hole, before skiing back towards Bruksvallarna on long, smooth descents. No touring-ski experience needed, but you should have skied in some form.

Good to know

Touring skis, boots and poles included. Bring a small backpack with extra layers, food and hot and cold drinks; windproof clothing, sunscreen, sunglasses, goggles and a neck gaiter are recommended. 3–4 hours, 4–10 participants.
